Bush Legacy

-Pres worried about his legacy.

-What for? We'll take care of it.

-Legacy means far down the road. We'll be gone.

-We're never gone.

-Then how...?

-We'll buy it! It's an investment that accrues compound interest.

-He probably knows this but still worries.

-Listen! He put his balls in our pocket very early on. And stayed loyal! And loyality cuts both ways.

-But there are columnists even now who...!

-Fuck them! Pissing in the wind.

-They're a joke all right.

-Everything is but money.
